GUIDELINES FOR COMPETITION RESUMING

1/ Clubhouse – At this stage the clubhouse will be closed and only the passage open allowing access to the toilet area but they are not to be used as change rooms please.

All competitions will be run out of the tournament box window on the right hand side just inside the gate where you enter.

Payments or kiosk items, drinks etc. will all be available from the window as well.

Pro Shop - Restrings required may be left and picked up from the window also.

Anyone wanting to buy a new tennis racquet will be able to request an appointment for access to the pro shop and Rob will be happy to give advice to those whom require it.

2/ Parents – As per the current social distancing guidelines we still request parents to drop and go where possible please helping us to alleviate the problem of crowding around courts and other common areas. We thank you for your understanding in this.

3/ Masks - As per the current guidelines we ask everyone 12years or older to wear a mask upon entering, while attending and when exiting the tennis centre.

The only exception to this rule will be when players are on court playing competition.
